

RCM report for January 2012

There was no region conference held last month. Please remember that the CAR report are voted on by the home groups. I would love to have a workshop ASAP on the report to review motions that groups need to vote on. There will be a CAR workshop up in Tampa February 18 2012. Please plan to attend by your GSR or a home group representative.

March 17 2012 the GSR assembly will be held in Orlando. Region has marked dollars for hotel rooms.

In service,

Roger S. And Betsy R
